

SOLICITATION FOR BIDS
Kittitas County Conservation District

The Kittitas County Conservation District is soliciting bids for the Cherry Creek Irrigation Diversion Modifications project. The project provides for the destruction of one diversion and the modification of one diversion that act as fish barriers in Cherry Creek. A series of weirs will check up the water to an acceptable elevation to continue to be used as a source of irrigation. Construction will include weirs within Cherry Creek; earthwork and creek regrading; and installation of mechanical equipment, screens and pipe all in accordance with the Project Plans, Technical Specifications, and the Environmental Permits.
